

NEW ALL-ELECTRIC JAGUAR I-PACE

SPECIFICATION AND PRICE GUIDE
MARCH 2018

THE ART OF PERFORMANCE

I-PACE SPECIFICATION

Configure your I-PACE at jaguar.co.uk

This is where our I-PACE becomes your I-PACE. You have a number of choices: from selecting your specification pack, exterior and interior colours, and wheels to those detailed touches that make the vehicle your own. You can also design and build your perfect I-PACE on our online configurator at jaguar.co.uk

CHOOSE YOUR MODEL

Pages 4-7

If you would like our designers to choose your Jaguar I-PACE features for you, turn to page 4 to see our First Edition.

If you would like to specify your own vehicle, turn to page 7 where you can view the standard features on Jaguar I-PACE.

YOUR POWERTRAIN

Pages 8-9

I-PACE'S 400PS power output is the epitome of Jaguar electric vehicle performance, providing sports car acceleration and drivability.

CHOOSE YOUR SPECIFICATION PACK

Pages 10-11

To make your selection of options even easier, you have a choice of specification packs - S, SE or HSE.

CHOOSE YOUR EXTERIOR

Page 12

There's a wide range of exterior options to select from; roof styles, paint colours, wheels and the exterior Carbon Fibre Pack or Black Pack - all enable you to truly express yourself.

CHOOSE YOUR INTERIOR

Page 16

Once you've chosen your seat style, select your preferred colourway.

CHOOSE YOUR OPTIONS & JAGUAR GEAR

Page 18

You can choose from a wealth of factory-fit options to create the exact vehicle you require. A range of accessories which your Jaguar Retailer can fit is also available.

TECHNICAL DETAILS

Pages 27-28

1 CHOOSE YOUR MODEL FIRST EDITION

Only available for the first model year, First Edition's specification is inspired by I-PACE Concept, and includes design details including Photon Red paint¹ and 20" 5 split-spoke alloy wheels in Technical Grey with Polished finish. High specification exterior features include Matrix LED headlights with Jaguar signature Daytime Running Lights.

Inside a choice of colourways, Ebony or Light Oyster, are available with an exclusive combination of a suedecloth headlining, Gloss Charcoal Ash First Edition veneer, carpet mats and First Edition branded metal treadplates.

20" 5 SPLIT-SPOKE 'STYLE 5070'
IN TECHNICAL GREY WITH POLISHED FINISH

First Edition includes all of the features available on I-PACE HSE (see page 11) plus the following as standard:

EXTERIOR FEATURES

- Fixed panoramic roof • Privacy glass • Heated windscreen • Heated washer jets
- Front fog lights • Gloss Black side window surrounds • 20" 5 split-spoke 'Style 5070' alloy wheels in Technical Grey with Polished finish

INTERIOR FEATURES

- Metal treadplates with First Edition branding • Extended Leather Upgrade
- Suedecloth headlining • Gloss Charcoal Ash First Edition veneer • Carpet mats
- Heated steering wheel • Four-zone Climate Control • Configurable Ambient Interior Lighting • Head-up Display • Activity Key

DYNAMICS

- Adaptive Dynamics with Configurable Dynamics • Active Air Suspension
- Adaptive Surface Response (AdSR)

WLTP (Worldwide harmonised Light vehicle Test Procedure) is the new process that has been phased in from 2017, which measures fuel, energy consumption, range and emissions in passenger vehicles in Europe. This is designed to provide figures closer to real-world driving behaviour. It tests vehicles with optional equipment and with a more demanding test procedure and driving profile.

Official EU test figures from manufacturer tests under EU legislation. For comparative purposes only. Real world figures and overall EV performance data may vary according to driving and environmental variables.

PERFORMANCE	
WLTP Range	Up to 298 miles (480km)
WLTP Consumption	From 34kWh/100 miles (21.2kWh/100km)
CO ₂ Emissions	0g CO ₂ /km
Maximum speed	124mph (200km/h)
Acceleration	0-60mph 4.5 secs (0-100km/h 4.8 secs)

¹With Active Air Suspension. ²Model dependent. ³Weights reflect vehicles to standard specifications. Optional extras increase weight.

WLTP (Worldwide harmonised Light vehicle Test Procedure) is the new process that has been phased in from 2017, which measures fuel, energy consumption, range and emissions in passenger vehicles in Europe. This is designed to provide figures closer to real-world driving behaviour. It tests vehicles with optional equipment and with a more demanding test procedure and driving profile.

Official EU test figures from manufacturer tests under EU legislation. For comparative purposes only. Real world figures and overall EV performance data may vary according to driving and environmental variables.

IMPORTANT NOTICE

Jaguar Land Rover Limited is constantly seeking ways to improve the specification, design and production of its vehicles and alterations take place continually. While every effort is made to produce up-to-date literature, this brochure should not be regarded as an infallible guide to current specifications, nor does it constitute an offer for the sale of any particular vehicle. Distributors and Retailers are not agents of Jaguar Land Rover Limited by any express or implied undertaking or representation. Comparisons are based on manufacturer's own data and testing prior to publication.

COLOURS

The colours reproduced here are subject to the limitations of the printing process and may therefore vary slightly from the actual vehicle. The company reserves the right to alter or withdraw any colour finish without notice. Some of these colours may not be obtainable in your country. Please check availability of colours and current specifications with your Jaguar Retailer. Distributors and Retailers are not agents of Jaguar Land Rover Limited and have absolutely no authority to bind Jaguar Land Rover Limited to any express or implied undertaking or representation.

ENVIRONMENTAL INNOVATION AT JAGUAR

Jaguar is committed to reducing dependency on fossil fuels, using fewer natural resources and creating less waste as part of our approach to responsible and sustainable business development.

Search 'Jaguar Environmental Innovation' for more details.
